WILL YOU BE BEEN SEEN in Upstate New York's Premier Bridal Magazine?!

Testimonials...

"I absolutely loved using the *Saratoga Bride* magazine as my main resource and inspiration as I planned my wedding. Since I was planning my wedding from Boston, *Saratoga Bride* was so helpful for finding the right local vendors to bring my vision to life! I used SaratogaBride.com as well, although I'm a bit biased to the print magazine and being able to flip through the pages with my color-coded sticky notes." - **Kelly H.**

"I was recently married and asked by my florist to be considered for the *Real Brides* section of your magazine. This was the sweetest thing ever and I couldn't say no! Your magazine helped me so much when I was planning my wedding, I would love to be able to do the same for someone else!" - **Kaleigh P.**

"I just wanted to reach out because I've been borderline obsessed with your magazine for years! I'm getting married at the Gideon Putnam this summer and have used your magazine to find most of my vendors ...and for inspiration! Thank you for the great publication!" - **Nicole C.**

"THANK YOU!! Your wedding magazine has made planning an upstate New York wedding so easy. I got really overwhelmed with Pinterest and national publications, but your magazine is the one stop shop with a creative edge and diverse pieces." - **Brittany D.**

"...*Saratoga Bride* has been the inspiration for so many details of our wedding, including our horseshoe wedding favors (which I totally spotted in last year's issue!)" - **Brie W**

"I swung by while we were in town and grabbed 3 copies of *Saratoga Bride* magazine and I read it **cover to cover** the day we got back to our NYC apartment!" - **Kelley M.**

"I was just married in August in Saratoga, and I absolutely LOVED reading *Saratoga Bride* when I was engaged! It was by far the greatest resource I had while planning the wedding; being that my husband and I live in Philadelphia, it was very helpful to have one place to go to with tons of different ideas and contacts for our planning purposes. So, thank you for all that you do! It was so helpful to me :) " - **Megan M.**

"I've been reading your magazine for years now and was using it to plan my dream wedding (even before I was engaged!)" - **Carlee M.**
